

MATT THEODORE MANAMTAM

WEB DEVELOPER

Bugallon, Pangasinan | matt.manamtam@gmail.com | mattmanamtam-portfolio.vercel.app

SUMMARY

BS Information Technology graduate with hands-on experience building web and mobile applications through academic, capstone, and personal projects. Works with Next.js, TypeScript, Node.js, Laravel, and relational databases. Seeking a web development role to contribute practical skills and continue growing as a software developer.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, PHP, HTML, CSS

Frameworks: React, Next.js, Laravel, Flutter, Tailwind CSS

Backend & data: Node.js, REST APIs, PostgreSQL, MongoDB, MySQL, Prisma

Tools & practices: Git, GitHub, Postman, Responsive Web Design, Database Management

PROJECTS

CLICKLENS - URL Shortener & Click Analytics

Next.js | TypeScript | PostgreSQL | Prisma | Tailwind CSS | Recharts

- Built a private link-management workspace with custom short URLs, public redirects, and searchable, paginated link management.
- Implemented click tracking, date-range charts, and referrer analytics with database sessions and owner-scoped access.

TRACEBIT - Project & Issue Tracker

Next.js | React | TypeScript | PostgreSQL | Prisma | Tailwind CSS

- Built project and issue workflows with create, edit, and delete actions, status updates, and priority/type filters.
- Implemented authenticated, owner-scoped database queries and dashboards summarizing open, active, and completed issues.

LIKHAMAT - Content Sharing for Crafters

Full-Stack Developer | 2024 - 2025

Next.js | Node.js | MongoDB | Tailwind CSS

- Developed frontend and backend features for an eco-friendly craft-sharing platform; managed development and collaborated with team members.

HELP ISKO!

Backend Developer | 2024

Flutter | Laravel

- Developed backend functionality for duty postings and student requests on a mobile platform connecting students and professors.

EXPERIENCE

CONCENTRIX

Technical Staff / OJT | December 2025 - March 2026

- Assisted with IT support tickets, troubleshooting user concerns and following established procedures for issue resolution.
- Performed hardware diagnostics, computer setup, maintenance, and software configuration.

EDUCATION

PHINMA UNIVERSITY OF PANGASINAN

Bachelor of Science in Information Technology | 2026
